Doubleday, Page & Co.

My dear Mr Doubleday. The
bearer, Mr Willumson, is a Danish
artist of repute and merit who
has come here to make his home.
If you can give him a chance
to show what he can do in the
way of illustration, book-covers
designing a book, it may be
that you will find you have
expended an eye unwares.
I am not an artist, but from
what I hear from abroad, I
should not be surprised if it were
so.

Faithfully yours
Jacob A Riis

My dear Mr Phillips -

Mr J. F. Willmssen, the
beaver, comes to me from Denmark
very highly spoken of as an artist
of much ability. He is going to try
to treat a work for Linnell here.
If you can throw anything in his
way in the way of book-covers
designs, illustrations or such, it
may very well be that you will
find yourself well repaid. If
you will try, I shall be personally
 beholden to you. From all I hear
of him, he is A 1.

Faithfully yours
Jacob Riis
