Dear Mr. Willumsen,

I have to-day been in London and have seen Consul-General Faber. I have learned from him that the invitation which you have been good enough to send me has been extended to me by practically the whole of the artists who will contribute to the forthcoming Exhibition. I should feel greatly indebted to you if you would at your very earliest let them know how very deeply I feel their collective invitation. I am looking forward with a great deal of interest to making the personal acquaintance of the whole of them.

I have discussed with Mr. yde and Consul-General Faberas to the date of my visit to Copenhagen, and after re-arranging an number of my appointments in November, I find that I shall be able to leave here (with Consul-General Faber in all probability) on Saturday the 11th Nov. This will enable me to spend several days in Copenhagen.

I shall write to you in a day or two but have sent this letter off to-night as I wrote you this morning.

Yours faithfully,

Henry D. Roberts
