Dear Mr. Willumsen.

I did not have the chance to tell you on the last cart how really much I admired your picture at Thiels' gallery and how sincerely I wish to have it for our exhibition in America. Mr. Thiel is still away but returns Monday or Tuesday and I am sure if you wrote him a nice letter about the exhibition and mentioned how much I liked your picture and enjoyed seeing his collection

he might let me have it.

I am going there again on Tuesday so if you write soon he might let me [ulæseligt] there.

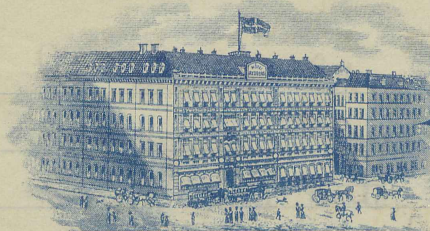

It was a very great pleasure to meet Mrs. Willumsen and yourself, and I look forward with great interest to seeing you at my return to København. With best regards, Believe me

Cordially yours

Christian Brinton
