Dear Sir
I have duly received
your letter of 16 Dec -
and thank 33/45 Mark too
for which I enclose
the Quittung -

I thank you for sending
me the different
critics, but I am sorry
to see that they ^{german}
don't seem to appreciate
or understand me very
much yet but I am
sure they will do so
later on -

~~But~~ I am afraid you
have sent my things of
to a wrong address -
It is Mr Georg Thulke

St Georg Ancknabe 43-49-1
and not to Jungfernstieg
as you did write to me
What to do if you have
addressed it wrongly?
