Dear Mr. Willumsen,

I have been hoping for some weeks past to hear from you. A gentleman in Copenhagen who sent me a paper containing an interview with you which I had seen before you came over here told me that another interview appeared in which reference was made to your visit to Brighton, but I have heard nothing from you since.

I am getting very anxious about the proposal which has been made that I should go to Copenhagen. My time here is very full up all the year round, but more particularly in the winter. I must allow myself a fortnight if I am to spend any time at all in Copenhagen, as I also wish to have a day or two en route - as I expect to travel by land. I cannot leave England before the 25th of this month, but I ought to leave about then as I must be back here by, at latest, the 8th November.

I shall be very glad to hear from you as to what progress you have made, and exactly when I am to be asked to go to Copenhagen.

Yours faithfully,

Henry D. Roberts
