DOKUMENTINDHOLD

Eduard Schulte beklager, at det ikke er muligt for Willumsen at sende værker ned til en forårsudstilling i Schultes galleri. Schulte ønsker at lave en udstilling med Willumsens værker til efteråret i stedet for.

Dear Sir,

We are very sorry indeed to hear just by a letter of Mrs. E. Willumsen, that you are unable at present to send us for our exhibition in April one or two of your works, we should have been

very pleased, if it would have been possible to show at this occasion also one of your paintings.

We should like also to get here a collection of your pictures, perhaps in autumn, and would do our best to be successful with them and to show them in the best way in our new galleries.

Kindly let us know, what you think about such an exhibition of your pictures and how many for instance you would like to send.

Hoping to hear favorably from you we remain

dear Sir

Yours very faithfully

Edward Schulte
